# What are the Scheduling Needs for RTI?

- ❖ **A Master Schedule (Not just PE, art, music, lunch and recess schedules)!**
- ❖ **Encore Classes Scheduled to Preserve Large Blocks of Core Time and Common Planning Time**
- ❖ **A Period (or Periods) for Tier 2 Intervention and Enrichment (I/E)**
- ❖ **A Well-Thought-Out Plan for the Scheduling Special Service Providers**
- ❖ **Occasional Extended Planning Blocks for PLC Work**

# MASTER SCHEDULE GOALS

- ❖ To provide consistency in the elementary instructional day and in the implementation of the district curriculum
- ❖ To protect instructional time for the optimal delivery of both core and encore curricula
- ❖ To provide time for special services (SPED, ESOL, etc.), intervention and enrichment programs within the school day that supports core instruction and accountability requirements
- ❖ To provide daily grade-level planning time for all teachers

# MASTER SCHEDULING STEPS

1. Form a scheduling committee that includes grade level representatives, an encore representative, and special service providers. It helps if several committee members have the “scheduling gene.”
2. Determine time allocations for all subjects/grade levels including academic time, time for encore, the number and length of Intervention/Enrichment periods, and lunch/recess.
3. Determine the encore rotation. Consider personnel shared between/among buildings.
4. Consider your special service providers (special education, ESOL, Title 1, gifted, instrumental music, etc.) that are shared across multiple grade levels and devise a plan which specifies the amount of time they will spend in each aspect of their deployment. Place a line on the schedule for each provider.
5. Begin scheduling encore blocks.
6. Begin to schedule academic blocks for grade levels in tandem with scheduling their special service providers working from the most restrictive to the least restrictive scheduling requirements. Start with the most restrictive situation (i.e a departmentalized grade, a special program requirement, a special education teacher shared in two or more grades).
7. Schedule intervention/enrichment (I/E) blocks as part of Step 6.
8. Schedule lunch/recess as part of Step 6.
9. Steps 5-8 are completed with the “Goals” in mind, moving back and forth through the steps until the “best” schedule is created. (The order of steps 5-8 often must be changed; creating the schedule is less linear than one would think.

# ELEMENTARY SCHEDULING TERMS

- ❖ Encore Teachers-”Specials” like art, music, physical education, etc.
- ❖ Special Service Providers-special education, Title 1 reading and math, ESOL, gifted, and instrumental music and other instructors who provide instruction to some students, but not all.
- ❖ I/E- Intervention/Enrichment Period
  - ❖ Intervention
    - ❖ Based upon identified (data-driven) skill needs
    - ❖ Focused on literacy and mathematics
    - ❖ Provided by a variety of personnel, including classroom teachers and special service providers.
  - ❖ Enrichment
    - ❖ Provided for students proficient in literacy and mathematics
    - ❖ Focused on moving proficient students to advanced proficiency
    - ❖ Organized around enrichment units in science, social studies, writing, etc.
    - ❖ Staffed by a variety of personnel, such as gifted/talented coordinator, other resource personnel, classroom teachers, and perhaps community members.

## ENCORE CLASSES 4-DAY ROTATION

|                       | Day 1 | Day 2 | Day 3 | Day 4 |
|-----------------------|-------|-------|-------|-------|
| <b>Teacher<br/>3A</b> | PE    | Art   | PE    | Music |

| <b>Teacher<br/>3D</b> | Art   | PE    | Music | PE    |

## FACTORS TO CONSIDER WHEN DETERMINING AN ENCORE ROTATION

- ❖ What program should students receive (how much PE, art, music, etc.)?
- ❖ What encore staff do you have and how are they assigned to the building?
- ❖ How many sections do you have at each grade level?
- ❖ What length and frequency should the meeting periods have?

# HAVE AN “EXTRA” CLASS?

- ❖ Divide the “extra” class among others at the grade level.
- ❖ Add something to the rotation for that grade level.
- ❖ Place the “extra” class in an open slot at another grade level on a rotating basis.
- ❖ Remunerate the encore teachers for instructing an “extra” class during their planning time.
- ❖ Add a “piece” of an itinerant teacher to cover the “extra” class.

# Caveat emptor!

Scheduling the Intervention/  
Enrichment period is relatively easy.

Changing the culture of a school to one in which teachers and administrators collaborate on data analysis, progress monitoring, and the organizational tasks necessary to make the I/E period truly responsive to students' learning needs is very difficult!

# INTERVENTION/ENRICHMENT PROCESSES

# RTI STUDENT TIERS

- ❖ Tier 1: About 80% of students learn basic curriculum through typical instruction w/ differentiation.
- ❖ Tier 2: About 15-20% of students need regular intervention; generally this is provided by special service providers or classroom teachers during the I/E period.
- ❖ Tier 3: About 2-5% of students need long-term and intensive intervention; faithful implementation of RTI requires that this intervention be in addition to the Tier 2 intervention, though in some schools it replaces the Tier 2 intervention.

# TWO BASIC APPROACHES TO I/E PERIOD ORGANIZATION

## The Centers Approach

- ❖ Individual classroom teachers organize enrichment centers for Tier 1 students.
- ❖ Classroom teachers pull small groups from centers to provide some Tier 2 (moderate, short-term) interventions.
- ❖ Clinical specialists pull-out (or push-in) for other Tier 2 interventions.
- ❖ Tier 3 (intense, longer-term) interventions are provided as pull-outs or push-ins either in place of Tier 2 during I/E or in addition to Tier 2 as a second intervention.

## The Re-grouping Approach

- ❖ Classes are re-grouped across a team or grade level to form tiered groups.
- ❖ Tier 1 students are provide enrichment by one more classroom teachers or other personnel (Gifted, encore, etc.).
- ❖ Tier 2 students are provide interventions by other classroom teachers or special service providers.
- ❖ Tier 3 students are provided interventions by clinical specialists either in place of Tier 2 during I/E or in addition to Tier 2 as a second pull-out.

# KEY FACTORS: I/E

- ❖ Scheduling the Intervention/Enrichment period is easy compared to organizing and preparing for instruction within it.
- ❖ Time must be allocated for planning for groupings and instructional activities.
- ❖ It may be wise to select specific programs for enrichment and/or intervention activities rather than having teachers design their own.
- ❖ It may be wise to start out providing interventions in one subject only, most likely language arts.
- ❖ A standard assessment tool should be used to determine groupings (Dibles, PALS, etc.).
- ❖ An Response to Intervention (RTI) type tier structure based upon this assessment is necessary to allocate students to enrichment, moderate intervention and intensive intervention groups.
- ❖ A decision must be made as to whether or not special services (i.e. special education or ESOL) will be “the” intervention for some qualifying students during the I/E time or will they be served at a different time by those professionals.

School Scheduling Associates, LLC is dedicated to the proposition that time is a valuable resource and that school scheduling - elementary school, middle and high school scheduling - is far more important than the simple mechanical assignment of students to teachers, spaces, and time periods. We aim to harness the power of the school schedule to address problems and facilitate the successful implementation of effective instructional practices.
